

ChronoDojo

Tower Defense / Beat 'em Up (*Couch Co-op*)

Platform(s): PC

Players: 1-4

For Ages: 10-100

Rating: E10

Bash, Build, Be Heroic!

Calling all Humble Heroes!

Gasp! The world's super heroes have failed to save us from the apocalypse! Enter the ChronoDojo solo or invite up to three other players to team up and time-travel into the past. Explore multiple eras, acquire allies, and vanquish villainy to become Chrono-Fu masters, ultimately returning to our time to save the world from evil!

Master Chrono-Fu!

Play solo or party with friends as adorable, humble heroes! Leap through levels, quickly construct tower defenses, and battle against increasingly difficult waves of zany enemies! Travel through time, unleash awesome Chronopowers and accelerate / decelerate time to achieve maximum victory!

Will you become a master of Chrono-Fu and save the world from evil?

Save the World!

- Pick up and play as cute, humble heroes! (**Custodian, Cook, Gardener, Fixer, Deliverer, Nurse**)
- Bash baddies, build trusty towers and battle bosses in three unique times in history!
- Accelerate and slow time in each encounter to customize the level of difficulty and reward!
- Unlock a wide variety of designer shoes, wacky weapons, powerful pets and beverage boosts!
- Loveable, light-hearted and fast-paced fun for all ages and skill levels!

Time to Play Hero!

- Be heroic on even the humblest of PCs!
- Keyboard supported, but controller(s) recommended.
- Easy to pick up and play, and fun for five minutes or all day!

ChronoDojo crafted with care by the indie brother-sister duo at **StarCouch Studio**
